Kings Pool Linyanti Reserve

Overlooking the Kings Pool Lagoon Kings Pool Camp is the flagship of Wilderness Safaris Linyanti Reserve. Known for seriously good game the Linyanti is one of Botswana's best areas for all the Predators and Kings Pool itself is the ultimate luxury safari camp.

The accommodation is in 9 huge taught canvas tents with thatched roofs raised on wooden platforms, complete with your own private plunge pools. The rooms themselves have huge four poster beds, draped with mosquito netting and covered with soft linen. Lavish en suite bathrooms have his and hers basins, outdoor showers and, as if one is not enough, there are two more indoor showers to choose from! The large decking area outside each room looks directly onto the lagoon and comes complete with a plunge pool, sun-loungers and a sala for catching a snooze before your afternoon safari.

The lounge, dining area (food here is simply fantastic) and bar area face out over a wide expanse of decking onto the hippo filled lagoon below. Each night everyone comes together at the fire, chatting until dinner is served. We highly recommend returning to bed early to appreciate the sky at night from the comfort of your outside sala!

Activities include day and night game drives and walks, while boat cruises along the Linyanti River (water level dependant) offer spectacular viewing. The reed and papyrus swamps are ideal for numerous and diverse species of birds and are a magnet for game in the dry winter months.

- 9 luxurious ensuite suites.
- Walking safaris, boating safaris, fishing and night drives all possible.
- Hides in place for fantastic game viewing.
- Swimming pool.

Our View

With private plunge pools, four poster beds and some the best dining in the country, Kings Pool sets the standard for Botswana's Premier Camps. The rooms are actually more luxurious than both Mombo, Vumbura, Chiefs and Jao and for that reason we give Kings Pool the label of the most luxurious camp in Botswana and one of the most luxurious in Africa!

The game in the area is superb, overall levels of guiding and service are set just as high and therefore if money is no object then, for the Linyanti, Kings Pool is the place to be - just do not forget to spend an hour in their elephant hide as at ground level you cannot afford to miss seeing an elephant from toe high!!
