

Matemwe Retreat Zanzibar

The newest and most luxurious addition to the well established Matemwe Bungalows located on the North east coast of Zanzibar overlooking Mnemba Island.

These are the latest edition to Matemwe Bungalows. They are two-level luxury suites with massive wooden verandas; complete with private butler. Focusing heavily on privacy, these rooms are so gorgeous there is very little reason to go to the beach.

They are utterly unique in design; on the ground floor you have the king-sized bedroom and massive bathroom....with his and hers sink, full length mirror and a large hand-carved bath alongside double doors looking out to sea.

If you make your way up the spiral staircase you find will yourself on the private rooftop sundeck. Complete with plunge pool, sun-loungers, and comfy sofas this hideaway has amazing views out over the tree canopy and to the ocean beyond.

Perfect for the couple who want total seclusion, large amounts of space and excellent service.

Our View

Matemwe already has some of the best rooms on Zanzibar; so these new retreats really are special. When you walk in to them you really feel like you're staying in a place unlike anything you've experienced before!

They are perfect for honeymooners or couples who are looking for genuine peace and quiet in beautiful surroundings. Overall, some of the top rooms on the whole island!
